

THE WORD

A GOSPEL OPERA

■ *The Word: A Gospel Opera* is the story of salvation, brought to life on stage in a colorful and joyful musical production.

Beginning with the story of Creation, spanning Genesis, Exodus, Samuel, Psalms, Isaiah, and the Gospels. *The Word* goes beyond any other show of its kind to include the glorious Resurrection and the sending forth of the apostles, making this colorful story of faith the most sweeping in its genre.

The Word and its message are alive, radiating from performers to audience to community, appreciated and understood by all ages, child to adult.
